A Park Built By The Community For The Community!

Every contribution fuels
a space for joy, connection,
and lasting memories.

Burnside Brankamp Park @ Market Square

Dear Sponsor,

We hope this letter finds you well. As a valued member of our community, we are writing to invite you to partner with us in an exciting endeavor that will enhance the Burnside Brankamp Park at Market Square in the historic Boneyfiddle and create a lasting impact in our neighborhood. Our project is a private initiative designed for public use, aligning perfectly with the future plans for Shawnee State University's sports complex, the Riverfront Project, and the overall growth of Portsmouth. Together, these developments are transforming our community into a vibrant hub for recreation, culture, and connection.

As we continue to finish the construction of Burnside Brankamp Park at Market Square, we are reaching out to local businesses and organizations that share our vision for a thriving community. Burnside Brankamp Park at Market Square is being built in three phases.

Phase One: Grants and donations that we have received from the State, County, Scioto Foundation, Glockner Foundation, and others have helped pay for planning, design, and the service/restroom building, which is already completed.

Phase Two: Grants and donations from Burnside Brankamp Law Firm, the City of Portsmouth, and SOMC are being used for the splash fountain and covered stage, which has been constructed this past fall and winter of 2025!

Phase Three: Our next phase, which includes turf, trees, landscaping, a food court, and walkways, will be completed in 2026. \$750,000 is needed to complete Phase Three, which includes funding budgeted for our 10-year maintenance planning.

Each level of sponsorship includes unique benefits, such as prominent signage at the park, recognition in our marketing materials, and opportunities to participate in community events. As a sponsor, your brand will be highlighted throughout the year, ensuring that community members associate your business with positive change and community enrichment. Your company or name will have a prominent place on our Donor Wall.

We understand the importance of flexible giving, which is why your generous contribution can be comfortably pledged over a 10-year period or a timeframe that fits your contribution goals best. By sponsoring the Burnside Brankamp Park project, you will play a crucial role in transforming our park into a welcoming space where families can gather, children can play, and community members can connect. Together, we can create a lasting legacy that enhances the quality of life in our community.

We would be honored to have your support and partnership in this meaningful project.

If you are interested in discussing sponsorship opportunities further, please feel free to contact me directly at 740.821.1363 or (mail to: info@burnsidebrankampparkatmarketsquare.org).

Thank you for considering this opportunity to make a lasting impact in our community. We look forward to the possibility of partnering with you to create a brighter future for Burnside Brankamp Park at Market Square. Burnside Brankamp Park at Market Square is a park built by the community for the community!

Warm regards,

Dr. Michael Raies
